#### **OPERATION CHRISTMAS CHILD**

Our current focus for Operation Christmas Child donations is personal care items. Suggested items are hair care items (combs, small hair brushes, hair clips) dental care, deodorant, bar soap, washcloths, bandaids, and water bottles. Travel cases for toothbrushes and bars of soap are really helpful items, too! Items that can **NOT** be sent in the shoeboxes include: toothpaste, liquids or lotions, or aerosol cans.

**Prayer of Grace**

taken from One Minute Prayers Book by Harvest House Publishing

Lord, I am often at a loss for words when talking to other people. In difficult situations of tension, grief, anger, or pain, I stumble through my thoughts and try to find something wise to hold on to...something worth sharing, something that is politically correct. I have forgotten to rely on the voice within that comes from You. As Your child, I can speak from a place of grace.

Lord, help me tap into Your love when I am searching for the "right" words. May I nourish other people's souls with a message from Your heart. And when I need encouragement, may I return to Your Word and immerse my mind and spirit in the language of grace.

**Colossians 4:6** Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone

**TO GOD BE THE GLORY**
